IRISCC TA project

{{ submission.title }}

IRISCC TA Project Leader

_____ ({{ applicant.full_name }})

As the project leader of the above-named Trans-national Access (TA) project under the IRISCC project, I hereby acknowledge receipt of the response letter related to my request for TA dated {{ submission.var__unknown__rOGz9OTsa2_0 }} and certify that I have read and accepted its content. I agree that I am disposed to access the IRISCC Installation/Facility(s) under the given conditions, and I agree to comply with any applicable national legislation and local health and safety regulations at the research installation/facility. I confirm that, in the case of physical access, each member of the user group has appropriate personal insurance during the TA. I understand that I am under the obligation to provide any required TA documentation after the access is completed. In agreement with the EC Horizon Europe rules, I agree that any results from work carried out under the IRISCC activity (publications, conference contributions, etc.) must acknowledgei) the project and support of the European Community, and ii) the use of the IRISCC Installation/facility and contribution of the facility staff*. The acknowledgement shall include the following statement:

"The [result/output] presented here was made possible thanks to the IRISCC project, supported by the European Union's Horizon Europe – Research and Innovation Programme (Grant Agreement No. 101131261."

I acknowledge the need for adequate dissemination of access results and for making data resulting from this TA available to the Data Centre of the relevant Research Infrastructure*.I confirm that, concerning this TA project granted under IRISCC, no double financing is taking place from other sources. I understand and agree that the decision for TA is subject to approval by the European Commission in case of legal discontinuity of IRISCC.

* *Exceptions may apply in case of industrial/commercial use or justified case-by-case basis.*
